

# COMMERCIAL USE AUTHORIZATION

## Permit Application Information

### Canaveral National Seashore

---

- Please fill out application completely, being sure to sign, date & initial where indicated.
- Return completed application to Canaveral National Seashore's headquarters office with your payment & valid copies of all [required documents](#) indicated on instruction page.
- Your permit application will be reviewed by the law enforcement division and approved by the Superintendent. This process can take up to 10 business day.
- **INSURANCE:** Your insurance policy must contain an endorsement specifically naming **U.S. Federal Government as "Additional Insured."** (*Applications received without that endorsement clearly identified on your insurance policy will not be processed*).
- **PERMIT EXPIRATION DATES:** All Commercial Use Authorization permits expire on December 31<sup>st</sup>, regardless of the issue date, and are valid for a maximum of one year.

#### *Example 1:*

You renew your guide permit on Jan 2, 2008. Your permit will expire on December 31, 2008.

#### *Example 2:*

You wait until Nov 30, 2008 to renew your guide permit. Your permit will expire on December 31, 2008. The permit cost in both examples is identical.

- **PERMIT COSTS**
  - \$250.00: Renewals (applies to current permit holders, or those with permits which have been expired for less than 12 months).
  - \$350.00: All new Commercial Use Authorization permit applicants, and former permit holders, who's permit has been expired for 12 months or longer.
